THE
HIGHLAND SOCIETY OF LONDON.

INSTITUTED 28TH MAY, 1778,

AND

INCORPORATED 21ST MAY, 1816.

THE OBJECTS.

Preserving the Martial Spirit, Language, Dress,
Music, and Antiquities of the Ancient Caledonians ;

Rescuing from oblivion the valuable remains of Celtic
Literature ;

The Establishment and support of Schools in the
Highlands of Scotland, and in other parts of the British
Empire ;

Relieving distressed Highlanders at a distance from
their native homes ; and

Promoting the Improvement and general welfare of
the northern parts of the Kingdom.

In 1786 the Society instituted an Association for the purchase of lands and for forming free towns, villages, and fishing stations in the Highlands, and in the same year obtained an Act of Parliament by which it was incorporated by the name and style of "The British Society for Extending the Fisheries and Improving the Sea Coasts of this Kingdom."

The Society also assisted in establishing the Public Infirmary at Inverness.

In 1815 the Society originated and established the Royal Caledonian Asylum for supporting and educating the children of soldiers, sailors, and marines, natives of Scotland, who have died or been disabled in the service of their country, and those of indigent Scottish parents resident in London.

In 1859 the Society also originated and chiefly aided in forming and establishing the London Scottish Rifle Volunteers.

In 1867 the Society instituted a Bursary of the value of £50 per annum, tenable for four years, at any University which the successful student may elect.

CONSTITUTION.

1st. The Society consists of a President, Five Vice-Presidents, Three Treasurers, Three Auditors, Twelve Directors, Two Secretaries, a Deputy Secretary, Two Chaplains, and an indefinite number of Members.

2nd. The President, or in his absence one or more of the Vice-Presidents, Treasurers, or Auditors, with any Seven or more Members of the said Corporation, of whom Two at the least shall be Directors; or (in the absence of the President, all the Vice-Presidents, Treasurers, and Auditors) any Twenty or more of the Members of the said Corporation, of whom Three at the least shall be Directors, shall compose a General Court.

3rd. The custody of the Common Seal, and the use and application thereof can only be ordered and disposed of by a General Court.

4th. At the General Court holden on the third Saturday in February, in each year, there shall be chosen a President, Five Vice - Presidents, Three Treasurers, Three Auditors, Twelve Directors, One or more Secretaries, and Two Chaplains, to serve for the space of one year only, to commence from the 21st

day of March then next ensuing; and in case any of the Offices aforesaid shall have become vacant by death, resignation, or otherwise, a person shall from time to time be chosen by the Committee to serve in such Office during the remainder of the term.

5th. The General Court having the power to delegate the management of the affairs of the Society to a Committee, the said Committee shall consist of the President, Vice-Presidents, Treasurers, Auditors, Directors, and Secretaries, for the time being, and of all those Members who have served the Office of President, Vice-President, Treasurer, or Secretary.

6th. The said Committee, as above described, to be elected at a General Court, which shall be holden the third Saturday in the month of February in each year and to serve for the space of one year, commencing from 21st March next ensuing.

7th. All business for the consideration of the Society shall be submitted in the first instance to the Committee of Management, who will be bound to lay it before the next following General Court of the Members of the Corporation, accompanied by such amendments or alterations (if any), as the Committee may consider it advisable for the Society to adopt;—the General Court

reserving to itself the power to alter, or reject altogether, both propositions and amendments.

8th. No Bye-Law, Rule, or Ordinance, shall be binding, or have any force or effect, until the same shall have been agreed to at a general Court, and confirmed by the next succeeding General Court, whether Ordinary or Special; and the same method shall be observed in altering or repealing any such Bye-Law, Rule, or Ordinance.

9th. The sum to be paid by Members elect shall be Twelve Guineas each, and no reduction shall be made in this amount unless the same shall be agreed to, and confirmed by, the two next succeeding regular General Courts.

10th. All Questions at any General Courts, or in Committee of Management, are to be decided by Vote; and in case of an equality of Votes, the President, or Chairman, shall, in addition to his deliberative Vote, have the Casting Vote, except in the case of the Election of Members, which is hereinafter provided for.

12 Guineas

GENERAL COURTS.

1st. A General Court of the Corporation shall be holden four times at least every year; that is to say, on the third Saturdays of the months of February, April, and May, and on the 21st of March (being the anniversary of the Battle of Alexandria), but should that day fall on a Sunday or Good Friday, then the said General Court shall be holden on the 22nd; and notice of each such General Court shall be given in two of the Public Newspapers ten days at least before the day appointed for the holding of every such Court.

2nd. A Special General Court shall be holden by order of the Committee, or upon a requisition signed by Nine Members of the Society, and addressed to one of the Secretaries for the time being, notice of which briefly specifying the objects, shall be given in two of the Public Newspapers ten days at least before the holding of every such Court.

3rd. The Four General Courts directed by the Act of Incorporation to be holden in each year shall be considered Public Meetings of the Society. At each of those Meetings, so soon as a sufficient number of Members shall be present, the Court shall be opened and the Business of the Day shall be disposed of, and

the whole or any part of such Business may, in the discretion of the Meeting, or as convenience may dictate, be adjourned or deferred; and the President or Chairman of the Meeting shall give directions for summoning a Special General Court to dispose of the same. These Meetings shall be followed by a Dinner of the Society, to which strangers, invited by Members, may be admitted.

4th. The General Meeting to be holden on the 21st of March in each year, to celebrate the Anniversary of the glorious BATTLE OF ALEXANDRIA, is the established Anniversary Festival of the Society. Tickets of Admission for that occasion shall be issued to Members at a price to be regulated by the Committee; and the Committee shall have power to invite, at the expense of the Society, such guests as they may consider advisable for its interests.

5th. At every General Meeting of the Society, each Member may introduce one or more Visitors, paying for his or their Tickets, at the same rate as that fixed for Members.

6th. That Officers present at the BATTLE OF ALEXANDRIA be invited to attend the Anniversary Dinner as the guests of the Society, together with any eminent Scotsmen, not exceeding twelve, whose names shall

have been previously submitted to the Committee and approved of, and who shall have done good service to their country.

7th. As the preservation of the Garb of the Ancient Caledonians is considered one of the original objects of the Society, and as the general adoption thereof at Public Meetings would essentially tend to excite and preserve the National Spirit of Highlanders, which has been so conspicuously and so honourably displayed on all occasions, and in all parts of the world, the Directors, Office Bearers, and Secretaries for the time being, are expected to appear in the Highland Garb at all General Courts; and it is earnestly recommended to all other Members of the Society, to assume the distinguishing Garb of Highlanders at all the public Meetings of the Corporation.

The only ^{advis} object of the society—
appears to be to dress in
kilts, & commemorate the
battle of Alexanderia—
fought 693 years ago—

COMMITTEE OF MANAGEMENT.

1st. A Meeting of the Committee of Management (Five to be a quorum) shall be holden four times at least in every year, viz.:—on the first Tuesday in the months of February, March, April, and May; and whenever occasion shall require, a Special Meeting shall be holden by order of any General Court, or upon the requisition of the President, or any Two of the Vice-Presidents, Treasurers, Auditors, or Directors, or of any Five Members, signified in writing to one of the Secretaries, and subscribed by such Officers or Members; and notice of each such Meeting shall be given to every Member of the said Committee, five days at least before the holding of any such Meeting.

2nd. It being an object of importance to the welfare of the Society, that all the Office Bearers should attend the General Courts as well as the Meetings of the Committee of Management, it is enacted that the Four Members attending the Meetings of the Society, General Courts or Meetings of the Committee, the fewest number of times in the season shall cease to be Members of Committee, and that this rule apply to the Auditors, as well as to the Ordinary Directors.

3rd. That the above rule do not apply to the President, Vice-Presidents, Treasurers, or Chaplains of the Society ; but that it be strictly enforced as regards all other Members of the Committee of Management, whether Auditors, or Directors.

4th. In order to obtain the attendance of Members at the four regular Meetings of the Committee, those Meetings shall be followed by a Dinner ; and to cover the expense thereof a Subscription shall be opened upon the Election of Officers in each year ; each of the Three Treasurers, Three Auditors, and Twelve Directors shall, at the commencement of each season, pay such amount as may be determined on, towards the expense of such Meetings, in full of all Charges and Demands attending the same, and at the last Meeting of the financial year, viz., the first Tuesday in March, a list of such Subscriptions remaining unpaid shall be made out by the Secretary, and laid before the Committee.

5th. To avoid the expense of ordering Dinner for a greater number than is necessary, the Members of the Committee are requested to intimate their intention of attending or not, by letter to the Secretary, the day before each Meeting, at the latest.

Donations made to the latter as a separate Account, together with a General Statement of the Funds and Property of the Corporation; and these shall be submitted to the Committee on the first Tuesday in the month of May following.
